

Ennis-Johnson Vows Are Recited in Long Beach

In a candlelight ceremony at the East Long Beach Methodist church on Aug. 12, Miss Vernice Ennis became the bride of Donald Eugene Johnson. The bride is a niece of Mr. and Mrs. J. E. Westal of Long Beach and Mr. and Mrs. Tarvin F. Johnson, 2621 Martha, Torrance, are parents of the bridegroom.

The bride came to the altar on the arm of her uncle. She was gowned in Chantilly lace and tulle over taffeta. The fitted bodice had a scalloped sweetheart neckline and long sleeves. A peplum of the lace fell over the back of the full tulle skirt forming a train. A cap-shaped pearl tiara held the lace-edged illusion veil and the bride carried a bouquet of white carnations centered by a white orchid.

Miss Kay Westal was her cousin's maid of honor. She wore a blue flowered taffeta gown and a white picture hat. She carried a small lace parasol filled with yellow rosebuds.

Bridesmaids were Miss La Vonne Westal and Mrs. Carol Johnson. They wore ballerina length dresses of aqua blue nylon over taffeta and carried small white parasols filled with yellow rosebuds.

Serving as best man for his twin brother was Ronald Ernest Johnson. Jacques L. Johnson, and Robert F. Johnson, brothers of the bridegroom, lighted the candles and acted as ushers.

Miss Anne Blowers, at the organ, furnished the nuptial music and accompanied Mrs. Janet Westal who sang "I Love Thee" and "Because."

The Rev. Francis B. Baldwin officiated at the vow exchange. The 200 wedding guests were entertained at a reception in the church hall. A three tiered wedding cake centered the bride's table. Assisting at the reception were Mrs. Lucille

Johnson and Mrs. Delores Johnson. From white decorated baskets, small packages of rice were given to each guest by Little Misses Robbin Janine, Robin Lynn and Sherry Johnson.

The bride was graduated from Polytechnic High and the Vocational Nursing School at Seaside Hospital in Long Beach. She is employed as a nurse at the Harbor Hospital.

Mr. Johnson was graduated from Torrance High school in 1955. He served four years with the U.S. Air Force as a radio and TV technician. He is employed by the Aero Space Laboratories.
